## Velodes® Cream Aloe Vera

### Moisturizing hand cream

#### Application:

Velodes® Cream Aloe Vera moisturizes, nourishes the skin of hands and protects it from the adverse influence of external factors. Rich formula, containing glycerine, aloe extract, pro-vitamin B5 and vitamin E, makes hand skin soft and silky. It is recommended for everyday use after frequent hand washing and after hygienic disinfection. Especially recommended for medical personnel and people exposed to drying and maceration of the skin as a result of frequent washing and wearing gloves. Dermatologically tested.

#### Directions for use:

Apply a small amount of cream on clean, dry hands. Gently rub into skin of your hands and nails. Repeat the process after each hand washing.
